

About 2020-2021 Spring Semester Thesis / Project Delivery Dates

Dear Student,

For the 2020-2021 spring semester doctoral / thesis graduate students of IZU graduate programs, their thesis must be sent by the **Thesis Advisors** to the thesis control addresses below, by the end of working hours on **Friday, June 25, 2021** at the latest.

[Click](#) for thesis control addresses.

[Click](#) for the post-thesis control process.

Non-thesis graduate program students are required to submit their graduate projects to the Institute Secretariat until the end of work on **Friday, June 25, 2021**, together with a plagiarism report (Turnitin) and a petition for compliance with plagiarism and project writing rules. Project plagiarism should be taken by project consultants. External project consultants must contact with the Department.
